

## How do I complete the Sales Slip/Buyer Receipt?

Once you have successfully bid on an animal, a 4-H or FFA member will deliver a Sales Slip/Buyer Receipt to you in the stands. Please remain seated until they find you. This Slip will serve as your receipt as well as provide instructions for the auction staff.

Jackson County 4-H & FFA Junior Livestock Auction Committee, Inc. 7/24/2010

Sign the slip.

This is the price you will pay if you choose to keep the animal for processing or donate to your favorite charity.

If you keep the animal for meat, we need to know where you want to have it delivered for processing. A list of processors and costs are published in the Sale Order.

You may donate the animal to your favorite charity.

If you check this box, you are selling the animal through the buy-back program at market price to our livestock contractor. It reduces your cost, but still allows you to support the program.

If you are a new buyer, an address and telephone number are important. This will be the address that: the bank will use for an invoice, members use to send a thank you letter and that a future invitation with Fair entry and barbecue tickets will be sent.
